

WHAT IS APIC ABOUT?

Association for Professionals in Infection Control (APIC) is a multidisciplinary voluntary international organization with over 10,000 members. Its purpose is to influence, support and improve the quality of healthcare through the practice and management of infection control and the application of epidemiology in all health settings.

ABOUT OUR SPEAKERS

Dr. Charles Edminston, Jr., PhD, SM (ASCP), CIC is a Professor of Surgery & Hospital Epidemiologist at Froedtert Hospital - Medical College of Wisconsin and an Adjunct Professor at Vanderbilt University School of Medicine in Nashville, Tennessee. He will be discussing best practices in the prevention of surgical site infections.

Marsha Wallender, RN is the Assistant Director of Accreditation Services at the Accreditation Association for Ambulatory Health Care, Inc. Marsha has had 30 years of experience between the inpatient and ambulatory care settings, related to nursing leadership, office-based procedures, endoscopy, and quality improvement.

Emma Gelman, MPH is a CDC Public Health Prevention Service Fellow at the Wisconsin Division of Public Health. As part of the Healthcare-Associated Infection Prevention team, Emma's duties include working with ambulatory surgery centers to enhance their infection control programs and create standardized post-discharge surveillance methods.

Kelly Bubolz is a compliance Assistance Specialist with OSHA. She has 12 years of knowledge with OSHA rules and regulations. She works out of the Appleton office. Kelly will be talking about the proposed Infection Control Guidelines, OSHA 300 log, requirements for fit testing and what is new for OSHA in 2011.

Bill Herrick is the major Account Executive Customer Resource Manager for Stericycle an expert in Infection Control and Healthcare Compliance Services. He will be talking about biohazard waste in healthcare facilities.

Chris Dodd, CST has worked in the Central Service and Sterile Processing fields for the past 24 years. She became a Certified Registered Central Service Technician in 2001. Christine is a member of the International Association of Healthcare Central Service Materials Management and has been in her current position as SPD Coordinator since 2005 at Thedacare.
